» Introduction

Barter International General Trading LLC has been founded and registered in Dubai, UAE. Our mission is to serve a worldwide customer base providing innovative and quality solutions through import & export of goods from suppliers to customers. We also aim to be the market leader in supplying our core range of products to selected regions, keeping in mind the quality and pricing of the commodity. We believe in growing with our customers through superior service, quality and price. Despite significant challenges and competition in the operating marketplace, the company underpinned significant growth in its sales, profits and margins and achieved record levels, maintaining the commitment of quality, price and timeliness to its customers we initiated itself as a supplier for Building Materials, MEP installation materials, consumable, Safety Equipment, Hand tools, Cleaning materials, Sanitizing products, importing Plywoods and MDF from different countries into the MENA market. We are also a key distributor of other building materials like GI Corrugated sheets, Glass sheets, Gypsum powder and boards etc.
